

HOWARD GOULD'S NEW YACHT.

A Herreshoff Twenty-rater for racing in English Waters Next Year.

As has already been announced in THE SUN, Howard Gould will race a twenty-rater, which he has ordered for the Herreshoff yard in Bristol, England.

"Judging from my experience on the other side last year, I believe there is a good deal of racing to be had in this class, and I am going over to try it with a boat of my own."

When asked if he would have an English crew, Mr. Gould said: "I'd rather lose with an American crew than win with an English one."

Mr. Gould, it is said, will sail for England next week, and will be accompanied by his wife and two children.

The well sustained and almost general improvement in the market for securities since Tuesday is strong circumstantial evidence that the repudiation of Populist ideas of taxation and of currency is becoming a strong and lasting conviction.

An improvement in the market for refined sugar, which was inevitable after the overstocking of that market, the marking down of prices, and the curtailment of production after the passage of the new tariff bill.

The fact that there will be no exports of gold to-morrow, except \$100,000 in foreign gold, which there is no market here at present, the tourist season being over, reports from Washington that the Administration is likely to make an issue of bonds to replenish the Treasury's gold balance, and an advance in the price of wheat contributed to the improvement in the market for stocks.

Final sales compare with those of yesterday as follows:
